Squirrel jump

The squirrel starts from zero and jumps two numbers at a time.

Which numbers did the squirrel touch?
2   4

22   24

42   44

62   64
![EXERCISE]
Write down ten numbers after 190 that the squirrel touched.

Circle the numbers that the squirrel touched:
23, 27, 28, 88, 96, 121.

Now the squirrel starts jumping from one.

0 1 2 3 4 5 6 7 8 9 10 11 12 13 14

Which numbers did the squirrel touch?

3 5

23 25

43 45

63 65
EXERCISE

Learn these different ways of counting:

Count up and count down starting from any number.

Count in jumps of 2, 3, 5 and 10.
